ABOUT TECHTRICKS

Techtricks IT Solutions specializes in supporting companies in the various sectors to execute multi-scale projects by deploying, sourcing and screening the right talent. Established in 2012 with our headquarters in Mumbai, and a couple of years back we started our operations in Pune as well. We now have a presence in major locations across India and soon we are getting global footprints too.

We have been creating value for our clients in India and by delivering world-class Engineering and Manpower Outsourcing Services. Our dynamic approach to problem-solving enables us to deliver quality services on time coupled with consistent performance to our clients in India. Techtricks has built long-standing relationships with its clients, working with many of them for coming years successfully.
